Hi All,

Recently, I watched the history of the automobile on the History Channel. Then soon after that I ran across an article by Brett Blair that makes a great point about the way we approach our call of making disciples of Jesus.

Brett Blair explained that "in the late 1800's, no business matched the financial and political dominance of the railroad. Trains dominated the transportation industry of the United States, moving both people and goods throughout the country.

Then a new discovery came along—the car—and incredibly, the leaders of the railroad industry did not take advantage of their unique position to participate in this transportation development. The automotive revolution was happening all around them, and they did not use their industry dominance to take hold of the opportunity. In his video tape The Search for Excellence, Tom Peters points out the reason: The railroad barons did not understand what business they were in. Peter observes that "they thought they were in the train business. But, they were in fact in the transportation business. Time passed them by, as did opportunity. They couldn't see what their real purpose was."

If the railroad barons at the turn of the century had understood that they were in the transportation business and not the train business, we would all be driving a Gould and not a Ford.

The same thing happened in the watch and clock industry. The Swiss had dominated time keeping. They controlled 90% of all revenues made in their industry. They made the most precise gears and springs in the world. Their watches and clocks were perfect. Then something new happened called the Quartz movement—LCD readout. Guess who invented it. A Swiss man. But because it had no gears or knobs or springs it was rejected. They failed to recognize that they were in the business of helping people tell time not making precision gears. They lost their dominance in the industry. They now control 20% of all revenue. Seiko is the dominant leader."

May we in the Pathway Church, never forget our purpose of making disciples of Jesus Christ. May we prayerfully seek the power of the Holy Spirit to help us remain passionate about our purpose.

May God fill you with His power and passion for Jesus,

Pastor Robert

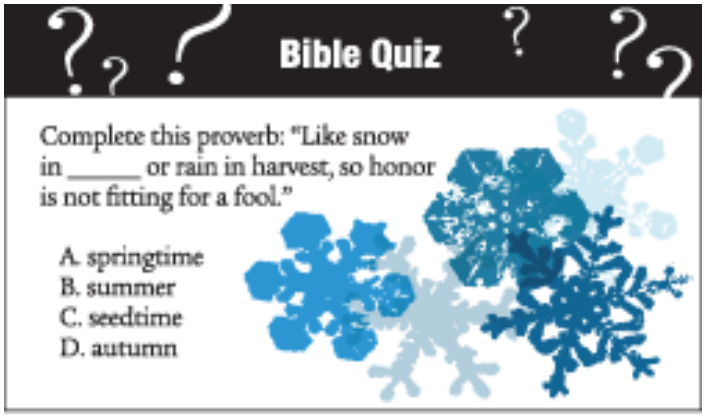
Christian Symbol

WEDDING SYMBOL This version of the Chi Rho features two interlocking rings on a cross. It symbolizes the partnership a husband and wife make with God as they unite. The Wedding Cross also symbolizes a couple's commitment to grow together in God's grace and love.



Answer: B (See Proverbs 26:1, ESV)

Come and join us June 7th for Prayer Group. We meet the first Monday of every month at 10:00 a.m.

Please include these people in your prayers this month: Juanita Lewis, Paula Wilson, Ingrid Cash, Carolyn Simonsen, Norma Roady, Edith Johnson, and Rick Bowen. Also, please pray to all care givers and remember our service men and women and their families.

Are any among you suffering? They should pray. Are any cheerful? They should sing songs of praise. Are any among you sick? They should call for the elders of the church and have them pray over them, anointing them with oil in the name of the Lord. The prayer of faith will save the sick, and the Lord will raise them up…...James 5: 12-14 NRSV
